God's power*

Joshua had a problem. He could not take the Israelites into their new land of Canaan until they had crossed the River Jordan. The Jordan was overflowing and there was no bridge across it. God came to the rescue!

They were to carry a special box called the Ark of the Covenant, which was covered with a blue cloth. God told Joshua to tell the priests, who were carrying the Ark, to go and stand in the river. As soon as they reached the river bank the water stopped flowing and the people could walk across on dry land. This was a great miracle!
