Lesson No. 1 Moses - The Baby in the Basket

*Exodus 1: 6-14 & 22
2: 1-10*

Hebrews 11: 23

At the end of the story of Joseph, seventy of his family, including his father Jacob, had come down and settled in Egypt. As time went on, their numbers grew, and before long they had become a separate race of people called the Hebrews or Israelites. The Bible Reading begins more than 300 years after the Israelites had first arrived in Egypt, and when a new king, or Pharaoh, came to power.

Shade the half of the circle which is beside the correct answer:-

The new king remembered Joseph knew nothing of Joseph, and the good things he had done for Egypt.

Pharaoh forced the Israelites to build two cities three cities.

The Israelites also had to work very hard in the factories in the fields.

3

Not only did Pharaoh want to make life as difficult as possible for the Israelites, but he also wanted to stop their numbers increasing.

Explain IN YOUR OWN WORDS the cruel law which he made. (Verse 22)

1

It seemed that everything had turned against the Israelites, but God had not forgotten them.

To whom had God already explained that these things would happen?
(Look at Genesis 15: 12-14.)

1

God had also promised that they would leave Egypt!

EXODUS means A GOING OUT.

This ‘going out’ of the Israelites is the subject of the book of Exodus. It is the story of a deliverance brought about by God for His people. First of all, God had to choose a leader for this great event.

Instead of Pharaoh’s daughter helping to carry out her father’s law against Israelite baby boys, she was actually helping God’s purpose, in saving this one! He was allowed to grow up in his own home without any further danger. When the boy was old enough, he left his parent’s home.

What the parents of this baby boy did, involved a big risk. In the Key Verse we read it was their **faith**, or trust in God, which made them determined to save their child.

Write out the Key Verse.

Lesson No. 2 Moses - His Big Mistake

Exodus 2: 11-22

Numbers 32: 23

Please put your name here

One day, Becky’s mom asked her to go to the store. She wasn’t allowed to ride her brother’s new bike, but this was her chance to have a spin on it when Ben wasn’t home. “No one will ever know,” thought Becky. She was almost home when suddenly, the front wheel wobbled, hit the curb and Becky fell off. Thankfully, she wasn’t hurt. She picked up the bike, looking at it carefully to see if there was any damage. Yes! The spokes on the front wheel were bent a little. When she reached home, she worked for ages, trying to straighten the damaged spokes. It was nearly right! She hoped Ben would never find out.

Unscramble these answers.

What did Becky do wrong? She (ddyobeesi) d _____ her mother.

	2
--	---

What did she do instead of owning up? She tried to (hdei) h _____ what had happened.

In the end Becky was ‘found out’ for what she’d done.

In this lesson, Moses acted in a similar way to Becky. Moses was now grown up and still living in Pharaoh’s palace. One day he was watching the Israelites at work.

Use the words below to fill in the blanks to tell what Moses did:-

Moses realized he would have to flee from Egypt as quickly as possible.

Key Verse

Hebrews 10: 31

Please put your name here

Have you ever been asked to do something that you didn't want to do? You probably made excuses and maybe even suggested someone else to do it instead. That was exactly what Moses did when God asked him to go and speak to Pharaoh! Eventually Moses agreed to go, as long as his brother Aaron would act as spokesman. It was not going to be easy to persuade Pharaoh to let the Israelites go.

In which verses in chapter 5 do we find Pharaoh making these excuses?

2

Instead of doing what Moses and Aaron asked, Pharaoh made life even harder for the Israelite slaves.

Fill in the blanks to complete what he ordered.

Let the people gather their own _____ to make bricks. (5: 7)

They must make the same _____ of bricks as before. (5: 8)

2

The Israelites were punished because they could not do this. Immediately they started blaming Moses and Aaron.

What did Moses do about the problem? Underline the correct answer.

He told the Israelites to go away.

He sulked.

He prayed to the Lord.

1

Moses needed to be assured that God was still in control. God answered by reminding him of His power, which would make Pharaoh let the people go. God had NOT forgotten His promises.

Draw a line to link the beginnings and endings of each promise which God made in Exodus 6: 6-8.

I will bring you out

and I will be your God.

You will be my people

I promised to Abraham, Isaac and Jacob.

I will bring you to the land

from Egypt.

3

God also wanted Moses and the Israelites to realize Who He is. Four times He reminds Moses, using the words, "I AM THE LORD".

Find the four verses in Exodus 6 where these words occur.

Did the Israelites listen to what Moses told them about God's promises?

Circle the correct answer. (Verse 9)

YES / NO

	1
--	---

God wants us to believe the promises which He has given us in His Word, the Bible.

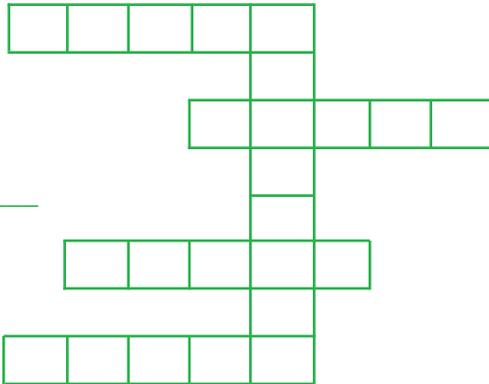

God not only wanted His own people to understand His power and greatness, but He also wanted Pharaoh to witness it as well. God had to send ten punishments, called plagues, before Pharaoh would let God's people go.

These plagues are described in Exodus 7 to 11.

Look up these references and write the name of the plague on the line, then fit each plague in the right place on the grid.
